Honorable James M. Peck
Your Honor:

In reference to the hearing that will soon take place regarding Lehman Brothers Holdings, I would implore you to consider those of us who are widowed and retired. For instance, I lost \$50,000 which I had with Lehman Bros. This to some sounds like a small sum, but it was a large part of my savings. I'm hoping you can help me to recoup this loss.

I respect your position, and expect your learned and fair judgment.

Thank you for your kind attention.

Sincerely,

Maureen T. Fromme
